VENDOR INFORMATION

Thank you for your interest in trading at the Otago Farmers Market. The OFM brings together large numbers of motivated buyers with sellers of produce, added-value regional food and beverages, plants and flowers. The Otago Farmers Market is held each Saturday morning, from 8am -12.30pm at the Dunedin Railway Station North Car Park.

Trade is only by successful application to the Otago Farmers Market Trust on the ***Application to Trade*** form and subject to DCC or MPI approvals and requirements.

To ensure the Otago Farmers Market will continue in a manner beneficial to all and to keep everyone safe, a range of ***Terms and Conditions*** must be complied with. By signing the Application to Trade, should your application be successful, you are agreeing to comply with the current *Terms and Conditions, Code of Conduct and Health and Safety Policy*.

If you wish to sell processed or prepared food, you will be required to comply with all relevant national food safety legislation. If your Application to Trade is accepted, it would be subject to you submitting a current registration certificate (issued by a Territorial Authority or the Ministry For Primary Industries) that covers the proposed activities at the market. The Market Manager will liaise with DCC Environmental Health to ensure that food businesses are correctly registered. If you are selling alcohol you will need to apply for a Special Licence from the DCC.

Please return the *Application to Trade* form only, to:
